JULIE VASI – (Library Assistant)

***The Library is Open the ENTIRE school day, which is ONLY possible through funding from the Foundation for a Library Assistant.**

Julie has a degree in History and previously earned a single subject teaching credential. This is her 3rd year at the Heights. Julie enjoys reading (of course!), photography, art and football. She has been married for 20 years, and has three boys who are 19, 17 and 15 years old. Julie knows the library collection well and takes time to help the children identify books for the discerning reader! Julie is also proud to share that after suggesting a book by Gary Paulsen to a 6th grader, it inspired him to launch his own business!!
